

J-Lock Connectors

Specifications

January 2013

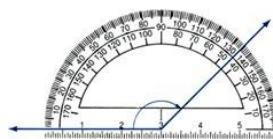

Construction: Made from 304 stainless steel J-Lock Connectors ensure that two duct hoses of the same ID size are easily connected or disconnected as needed. A simple twist connects the male with the female end. J-Lock connectors are ideal for temporary and migratory application.

Product Features:

- * Ultra durable 304 stainless steel
- * Quickest way to connect and disconnect hoses
- * Designed with a raised lip to prevent hose clamp from slipping off
- * Available in sizes 4" to 20"

Sizes I.D. (inches): 4, 5, 6, 8, 10, 12, 14, 16, 18, and 20 Inch
